

Introduction to Global Learning Resources for secondary curriculum **A free taster workshop**

Thursday 12 January 2012 4.30 - 6.00pm

The GLADE Centre, Frog Lane, Ilminster

For FREE attendance at this introductory session contact glade@glade.org

The session offers an overview of current teaching resources with a global perspective for secondary teachers, on Citizenship, English, PSHE, R.E. and Geography, with ideas highlighted for you to use in your own context.

Just Living

PSHE, Citizenship, Business
Bring a rights-based approach to learning about economic wellbeing.
Develop critical thinking about economic issues from an individual and global perspective.

There is half-day follow up CPD training available for a cluster of subjects or secondary schools to share costs (£200 in total for a school or £40 per person).

Makutano Junction

English, R.E, Geog, Citizenship, PSHE

A rich bank of resources for use with this Kenyan produced TV drama/soap, around themes like tourism, relationships, health, stereotypes, democracy and education.
Fun, and full of many interesting characters and plotlines.

Follow up training available with free copies of DVDs of the series available to trained schools. (£200 in total for a school or £40 per person)

Be warned, MJ is addictive!

Global Skills – Understanding the world through English

A practical and easy-to-use 'global' toolkit for any KS3/4 English teacher. Participatory activities eg. the origins of English, globalization, endangered species, global sports, fairtrade and refugees.
A useful and handy guide to bring global themes to life.
Follow up training available

(£200 in total for a school or £40 per person)
